

Meet Cooper

About Me

Cooper is a mixed breed rescue dog from Cuyahoga County Animal Shelter. We fostered her at the end of the 2022-2023 school year, and adopted her over the summer. Cooper works full time in our PreK Classroom.

Similar to a service dog, Cooper is working in our school. But she's also here to be our friend! While a service dog is trained to support an individual person, Cooper is here to help all of us feel better at school.
