

# Huddle's Adventures Participation Policy

At Heights Cooperative Preschool, we are thrilled to invite families to participate in Huddle's adventures! To ensure the safety and enjoyment of everyone involved, please take a moment to review our participation policy.

## 1. Acknowledgment of GPS Tracking:

Families participating in Huddle's adventures acknowledge that Huddle is equipped with real-time GPS tracking through an AirTag. While the location of participating families is not actively tracked, it is visible to our School Director, Mx. Taryn, at all times. This feature is in place to ensure the safety and security of Huddle during his travels.

## 2. Privacy and Location:

We respect the privacy of participating families and assure that their locations are not actively monitored or shared publicly. The GPS tracking is solely for the purpose of Huddle's safety and to facilitate his return.

## 3. Liability and Responsibility:

Participating families assume liability for Huddle during the duration of their adventure. While Huddle is a resilient traveler, families are kindly requested to make their best efforts to ensure his safe return to the preschool.

## 4. Financial Responsibility:

Participating families acknowledge that, while Huddle is irreplaceable as part of our family, they agree to pay to replace both the stuffed animal and AirTag, totaling \$60, in the event of loss or damage during the adventure.

## 5. Communication with School Director:

Families agree to maintain open communication with our School Director, Mx. Taryn, throughout the adventure. In the event of any concerns, changes in plans, or unexpected situations, families are encouraged to promptly inform Mx. Taryn to ensure Huddle's well-being.

## 6. Tagging Policy:

For safety purposes, Heights Cooperative Preschool asks that participating families do not tag our school while out and about with Huddle. We will not tag families when sharing Huddle's adventures on social media.

## 7. Timely Return of Huddle:

Families agree to return Huddle promptly by the agreed-upon date to allow for his continued participation in other adventures within our preschool community.

## 8. Documentation and Sharing:

Families are encouraged to document Huddle's adventures through photos and captions, as these will be shared with our preschool community through Instagram and future blog posts. This sharing helps enrich the experiences of all participating families and contributes to the educational journey of our preschool.

By participating in Huddle's adventures, families confirm their understanding and agreement with the terms outlined in this policy. This policy aims to ensure a positive, safe, and enjoyable experience for all involved.

Thank you for your cooperation and enthusiasm in making Huddle's adventures a memorable and enriching part of our preschool community! 🐻✈️🌍
