

Meet the Director

Mx. Taryn

pronouns: they/them

About Me

I live in Cleveland Heights with my partners, 2 dogs; Jack and Cooper and 2 Cats; T'Challa and Allen! Since taking on the role of Director in 2022, my primary focus has been to cultivate a safe and inclusive space for all members of our community. I strongly believe in celebrating the uniqueness of each child and family. I encourage my teachers and staff to honor the journey of each child and to not only teach them, but to learn from them as well. I am dedicated to fostering an environment where representation truly matters and I consistently push myself to find new ways to incorporate these values within our school. Aside from my role as Director, I also teach our PreK class. I am honored to be able to create a safe environment for your children and set the stage for them to be a lifelong learner.
